

DUES DRIVE ROLLS ON

The neighborhood dues drive continues as we wind down 2005. If you have paid your \$25 since August of this year, the neighborhood association thanks you, and hopes you have received your WMV window sticker. If you have not paid your neighborhood dues and would like to take advantage of this fabulous offer, contact Patrick Whaley at 678.592.8936.

As neighborhood association treasurer, he'll be glad to make sure that your \$25 gets into the books by December 31, so you can take advantage of the tax deduction for 2005. Most importantly, your dues go towards funding all the various neighborhood committees. Your WMV window sticker will identify you as a proud member of the village.

SPORT

ROSE & THISTLE CUP AWARDED

The fall Fun & Games was held in the park with a record number of participants. Besides the better-known extreme croquet and extreme bocce competitions, this event featured the debut of hillbilly golf. Constructed by WMV's own Greg Hare, the game proved to be a hit with all ages.

The extreme croquet competition saw a newcomer take the crown. Byron Van Gorp, aka Young Busy, bested a strong field played over an extremely long course. Several mallets were broken as players struggled to take on long

fairways and a hilly final wicket. Course architects agreed that, unlike golf, the equipment has not kept up with the length of the courses. Finally, with the Rose & Thistle Cup being contested for the first time, the extreme bocce competition was intense. In the end, the winners were Bob Tolford and his friend Dennis. They bested three other teams, including the highly-touted Lower Butler Boys. Bob & Dennis will hold the cup until Sunday December 11th, when it will be contested again at the Whittier Mill Holiday Open. Competition begins at 1pm.

Bob & Dennis hoist the Rose & Thistle Cup.
